

2026 NAP Opt-in assessments

Key dates and test administration guide

Test window for science literacy (SL), civics and citizenship (CC), and information and communication technology (ICT) literacy: **Monday 4 May to Friday 29 May 2026**

Principal registration 24 March – 28 April 2026

- Go to assessform.edu.au to complete the principal registration.
- Refer to the [Principal registration quick guide](#) for help with registration.

Student enrolment 24 March – 30 April 2026

- We recommend that schools complete student enrolment as soon as possible after registering and **before 30 April** to ensure smooth test delivery.

Note: For ICT literacy, after 30 April, schools must notify the helpdesk of any enrolment changes, including adding or updating student details, **at least 24 hours before the scheduled test date**. For science literacy and civics and citizenship, enrolments will be accepted until 29 May.
